EVERYWOMAN LOVES GOOD HEALTH!

AND THE FOUNDATION OF GOOD HEALTH IS IN THE PROP-
ER CARE OF THE EYES.

How about your eyes? Are you giving them the attention
they deserve—if they water or are inflamed, or the bright light hurts
them, or they tire easily when reading and you are subject to unac-
countable headaches?

THERE'S SOMETHING WRONG. Maybe you need glasses,
and maybe you don't. If you consult us we will tell you after a
thorough examination what the trouble is, and if glasses are not re-
quired we will frankly tell you so. Come to us for satisfaction. Let
our service really serve.
